

GULF COAST CHORALE

Rehearsal Notes

Notes from the Director, January 30, 2025 -

- A big THANK YOU to everyone that helped get us ready for our first rehearsal tonight: GCC Board Members (Joan, Linda, Jeanie, Nelda, Vicki, Rhonda, Clif, Gwyn, Kathy) and Deb (Hospitality Coordinator). I know it's a lot of work and we sure appreciate you!
- Welcome, welcome, welcome to all! It's so good to see our returning members and all the new faces. Please make sure to turn in registration forms, volunteer forms, etc. tonight, so we can get everyone's information for communication purposes.
- Returning members: has your address, phone number or email changed? Please update your information on the registration form or on the sign-in sheet tonight.
- Good news! ALL rehearsal tracks are downloaded onto our website www.gulfcoastchorale.org
- There will be a Business Meeting on February 20 at 6:15 in the Fellowship Hall. This will be a very important meeting that we need everyone to be attend.
- February 13, will be the first meeting of the Production Team. This group does all the production work for our shows: costumes, set, props, tickets, etc. We would love to have you join us! We will meet in the GCC Library at 5:30.
- Upcoming fundraising opportunity for the Chorale!!!! We have the opportunity to help with concessions at several Wahoos Baseball games this season. This will be a really fun way to raise some \$ and awareness of the Chorale and what we do, AND to have some fun together. More information will be coming next week pertaining to a little bit of training, dates and asking for your participation. So, feel free to bring your spring and summer calendar dates and help us have a great night of fun, baseball and making some cash for the Chorale!!!!
- Tonight, a calendar will be going around for you to add your birthdays, and to let me know of any planned absences you will have this season. This really helps me with planning rehearsals.
- There's still time to invite your friends and family to come and join us!

I love to hear a choir. I love the humanity... to see the faces of real people devoting themselves to a piece of music. I like the teamwork. It makes me feel optimistic about the human race when I see them cooperating like that.
