

GULF COAST CHORALE

Rehearsal Notes – September 21, 2023

Notes from the Director -

- Tonight we are holding auditions for solos and ensembles. They will be held before rehearsal starting at 5:30 and at the end of regular rehearsal if you can't get there early. "Santa Bring My Baby" and "Carol of the Bells" are the ensemble songs. Everyone should have a copy of the music already and the parts are available on the website. As soon as I've made a decision about who will be doing what, I'll send an email to everyone. Our first rehearsal will be next Thursday night.
- Tomorrow night is our big fundraiser at Panera Bread on 9th and Bayou. Flyers are available tonight for you to give out and post at your church, business, office, etc. Feel free to make more copies. A reminder email was sent from GCC last night that you can forward on to all your contacts. Remember we have to show the flyer or a digital flyer when we order in person or at the drive through. If we order through the app or at the instore kiosk we have to use the code FUND4U at the checkout. Please, please, please spread the word and invite everyone you know in the area to come out and support us. We will have Board members there from 4-8 with information about our upcoming show and we want to eat with you!
- I have a very exciting opportunity for Chorale members to give back during our Panera Bread Fundraiser next Friday. A canopy of Hope along with the Pensacola Dream Center provides housing, resources, training and assistance to women who have been victims of trafficking, domestic abuse, etc. They have nine women in residence right now. They have a need for people to sign up and provide an evening meal. The 22nd was open and I just took a leap of faith in our group and signed up the Chorale to provide supper since that is the night of our fundraiser. I am asking anyone in our group who would like to donate \$20 for a sandwich, chips and dessert for a resident. There is NO pressure at all, but wanted to give you this opportunity if you are interested. We can take cash, any checks have to be made out to me since I will be placing the order and I can do VENMO. Again, this is strictly voluntary. Thank you!
